## **General Information**

This Catalogue contains Aftermarket Spare Parts suitable for the Scania 4 Series and PGRT Series vehicles.

The first line contains the VTP Part Number, the second line **[in bold]** gives a brief description. The following two lines relate to Vehicle Application, Individual Model Fitment, and also to assist in identification of the Engine, Gearbox or Rear Axle type. The final line offers additional information to help with identification, with further qualification where possible using Engine or Chassis number.

The 4 Series (94, 114, 124, 144 and 164) was first introduced in 1995, the PGRT Series model range followed in 2004.

Whilst every effort has been made to ensure all information in this catalogue is correct, we cannot accept any responsibility whatsoever for any errors found in this publication.

To further assist in identifying individual parts using whatever information may be available [Manufacturer / Supplier Part Number etc], why not check out the VTP website and try our extensive Database Cross Reference Application.

Just go to [www.vtp-uk.com](http://www.vtp-uk.com) and click the "Cross References" link

## **Vehicle Types Description**

Scania Vehicle Type / Description consists of number and letters, for example: "R164 LB 6x2 NB 530" These translate as follows;

R	= Cabin Type
16	= Engine Size (Litres)
4	= Development Level
L	= Chassis Class
B	= Chassis Design
6x2	= Wheel / Driven Axle Configuration
N	= Chassis Height
B	= Suspension Type
530	= Engine Output (BHP)

Chassis Class;

C	= Chassis for Short Distance Travel on Very Rough, Poor & Good Road Surfaces. High Ground Clearance for Off-Road Travel.
D	= Chassis for Short Distance Travel on Good Road Surfaces. High Vehicle Payload within Legal Limits.
G	= Chassis for Long or Short Distance Travel on Poor & Good Road Surfaces. Technical Payload higher than Legal Limits.
L	= Chassis for Long Distance Travel on Level, Paved Roads. High Vehicle Payload within Legal Limits.

Chassis Modulation;

A	= Articulated Tractor Unit Chassis
B	= Standard Chassis without special design

## **Engine Types Description**

9 Litre Engine - DSC, DC	- 6 Cylinder (In-Line Engine)
11 Litre Engine - DSC, DC	- 6 Cylinder (In-Line Engine)
12 Litre Engine - DSC DC, DT	- 6 Cylinder (In-Line Engine)
14 Litre Engine - DSC	- 8 Cylinder (V-Engine)
16 Litre Engine - DC	- 8 Cylinder (V-Engine)

Designation:

DSC = Diesel Engine with Turbo and Intercooler  
DC = Diesel Engine with Turbo, Intercooler and Pump Nozzle unit  
DT = Diesel Engine with Turbo Compound, Intercooler and High Pressure Injection system (HPI)

The Engine Number / Type can be found on a plate and is also stamped into the block at the upper front end, just below the manifolds.

## **Clutch Types**

The Clutch type description consists of numbers and letters as follows: "K 432 15"

K = Version  
43 = Outer diameter of Clutch Disc (cm)  
2 = Number of friction surfaces  
15 = Development Level

## **Gearbox Types**

**Example: GRS 890 R**

GRS = Version  
90 = Max Torque Transmission  
0 = Development Level  
R = Retarder

The following versions are available:

GA = Automatic Transmission  
GR = Manual Gearbox with Range Change  
GRS = Manual Gearbox with Range Change and ½ Gear Split  
GRSH = Manual Gearbox with Range Change and ½ Gear Split with Torque Converter

GRSO = Manual Gearbox with Range Change and ½ Gear Split with Overdrive Ratio  
GTD = Transfer Box with Differential

## **Front Axles**

**Example: AM 860 D**

AM = Version  
8 = Capacity Factor  
6 = Low Bed  
0 = Development Level  
D = Brake Equipment  
(Only shown when Axle can be used with Disc brakes)

The following versions are available:

AM = Steer Axle  
AMA = Steer Axle Air Suspension  
AMD = Steering Drive Axle

## **Rear Axles**

### **Example: AD 1500 DP**

AD = Version  
15 = Load Capacity  
0 = Rear Axle Low Height  
0 = Development Level  
D = Disc Brake Axle  
P = Hub Reduction Axle

The following versions are available:

AD = Drive Axle  
ADA = Drive Axle with Air Springs  
AS = Lift Axle  
ASA = Lift Axle with Air Springs  
ARA = Lift, Steer Axle with Air Springs

## **Rear Axle Bogie Combinations**

### **Example: BT 160 B**

BT = Version (Bogie-Double Axle Unit, Leaf Spring Suspension)  
16 = Load Capacity  
0 = Development Level  
  
B = Chassis Specification;  
  
B = Basic (Std)  
D = Low Chassis  
I = High Chassis

## **Cabin Types**

### **Example: CR 19 T 0**

CR = Cab Type  
19 = Cab Length  
T = Ceiling Height  
0 = Development Level

The following versions are available:

CP = Low Mounted Cabin  
CR = High Mounted Long Distance Cab  
CT = Truck with Bonnet

## Various Truck Parts Ltd trading as VTP - Terms and Conditions of Sale

### GENERAL

These conditions prevail over any conditions which the purchaser's order may purport to impose and which are at variance with the same. No modifications shall be binding upon Various Truck Parts Limited unless specifically accepted in writing. Various Truck Parts Ltd will be referred to as VTP hereafter. Typing and clerical errors are subject to correction. All orders or contracts are subject to acceptance by VTP at its office at Kirby Misperton, Malton, regardless if taken elsewhere by a sales person or a selling agent. Quotations do not constitute an offer and shall not bind VTP, until an order has been placed and accepted.

### PAYMENT

Unless other terms are expressly agreed upon, payment is Nett 30 days monthly account. VTP reserves the right to impose on the buyer the special term "Cash on Delivery", if it considers it necessary. Payment should be made to Various Truck Parts Ltd. In addition to its other remedies VTP, reserves the right to change interest on delayed payment from the due date on a daily basis at Fortis Bank plc base rate from time to time in force plus three percent.

### PROPERTY

Notwithstanding delivery and the passing of risk in the goods, the property in the goods shall not pass to the buyer until VTP has received in cash or cleared funds payment in full of the price of the goods sold or agreed to be sold by VTP to the buyer under the contract.

Until the property in the goods passes to the buyer:

- a) the buyer shall hold the goods as VTP bailee, and shall keep those goods separate from all other goods and property stored, protected and insured and identified as VTP's property and
- b) the buyer shall be entitled to resell or use the goods in the ordinary course of its business, but shall have a fiduciary duty to VTP to account for the proceeds of sale or otherwise of the goods, whether tangible or intangible, including insurance proceeds, and shall keep all such proceeds separate from any monies or property of the buyer and third parties and, in the case of tangible proceeds, property stored, protected and insured; and
- c) VTP shall be entitled at any time to require the buyer to deliver up the goods to VTP and, if the buyer fails to do so forthwith, to enter upon any premises of the buyer or any third party where the goods are stored and repossess the goods and for that purpose the buyer hereby authorises and licences VTP to enter upon any land or building upon which the goods are situated to recover those goods.

The buyer shall not be entitled to or in any way charge by way of security for any indebtedness any of the goods which remain the property of VTP, but if the buyer does so all monies owing by the buyer to VTP shall, without prejudice to any other right or remedy of VTP, forthwith become due and payable.

### INSPECTION AND RETURN OF GOODS

If upon receipt of goods from VTP the goods do not appear to conform to specifications, the buyer must notify VTP within 5 working days after receipt in writing. The return of correctly supplied goods when accepted by VTP will incur a charge of 20% of the value of the goods excluding VAT at current rate. Goods supplied as special orders are not returnable. Goods cannot be returned without prior authorisation from VTP.

### EXCHANGE ITEMS

A surcharge is levied on the exchange items (e.g. items that can be reconditioned). The surcharge is refundable subject to the following conditions:

- a) The exchange items are returned within 10 days.
- b) The exchange items are not broken, damaged or dismantled.

#### TELEPHONE OR FAXED ORDERS

Verbal or telephoned orders, or any variation, must be confirmed in writing by the Buyer otherwise VTP accept no responsibility for errors or subsequent misunderstandings. VTP assumes no responsibility for any orders which are duplicated, as a result of a confirming order not being identified as such.

#### ORDER CLASSIFICATION

VOR emergencies must be negotiated at the time of the order being placed. If the order product is available, it will be dispatched the same day, providing the order is received early enough to allow dispatch. We request VOR orders to be placed before 4.00pm

#### CATALOGUE, PRICE LIST AND OTHER ADVERTISEMENT MATTERS

Catalogues, price lists and other material used for advertising are only an indication of the type of goods, and no other particulars contained therein shall be binding to VTP.

#### VAT

Unless otherwise stated, all prices quoted by VTP do not include value added tax at the current rate.

#### PRICES

VTP reserves the right to vary the quoted price and goods will be invoiced at the price ruling at the day of dispatch unless otherwise agreed by VTP in writing.

#### DELIVERY DATES

Whilst VTP will do its utmost to keep its promised delivery dates, they are to be treated as estimates only. VTP accept no responsibility for loss or damage resulting from delay in the delivery of goods. Delays due to circumstances outside the control of VTP shall not entitle the buyer to cancel any order or to refuse to accept delivery.

#### WARRANTY CLAIM

In the event of a warranty claim VTP must be promptly notified in writing on the appropriate VTP form, and will only accept claims due to faulty materials or workmanship. Goods must be returned carriage paid for immediately upon the discovery of the defect. No credit will be given until such time as VTP is satisfied that such defects arose solely through mentioned causes and VTP has received credit from the manufacturer or supplier. VTP shall in no circumstances be liable for any consequential loss or damages. All replacement items for warranty claims will be booked out at the current VTP price.

#### DELIVERY CLAIMS

Damage in transit or shortage must be reported within 7 days of receipt of goods or, in the case of an undelivered consignment, within 7 days of the invoice date.
